Mysurean enters Harvard World Records Book

Mysuru, Sept.8 (SSM)- Dr. B. Nirmala, retired Associate Professor and Head of Hindi Department, Maharani's Science College, Mysuru, has set a world record in the field of literature.

Her Kannada poem, 'Yava Astitvave illa, Astitvave illa, Astitvave ilia' and Hindi poem, 'Ek Shaheed ka Paigaum' have found place in the maximum international collection of poems comprising 19 Indian languages marking *Azadi Ka Amrit Mahotsav* celebrations in the book *'Akhanda Bharat Ek Yugadrushta'* brought out by Harvard World Records, London. She has also received a copy of the book and a certificate.

Under the guidance of World Record Holder Dr. Vidushi Sharma from Delhi, Dr. Nirmala has succeeded in entering the record book which includes poems of 91 poets.

A social activist and a sportsperson, Dr. Nirmala has

Dr. B. Nirmala

won many awards and medals at International, National and State-levels for her service in the field of education, literature, NSS etc.

Fondly called as 'Medal Nirmala' who has written over 460 poems both in Kannada and Hindi languages, she has also written articles and short stories.

Dr. Nirmala is the daughter of late Mallamma and G.M. Battimallappa, who had served at JSS Mahavidyapeetha, Mysuru.

EDITOR'S BOTTOMLINE

Bengaluru has seen disruption and devastation of an unprecedented kind when sudden downpours flooded the city and its suburbs, bringing misery to thousands of people and causing much damage. A young lady was electrocuted while wading through water, and a good part of the city floated in flood waters. People travelled in boats, vehicles are towed away, and lanes have turned into rivers.

Flooding is the norm at the slightest hint of rains now, and what is concerning is that both the Government and the Bruhat Bengaluru Mahanagara Palike (BBMP) seem clueless about how to mitigate the sufferings of the people. The BBMP seems to have forgotten the basic requirements to keep the city running.

Besides encroachments and unscientific concretisation of roads, the main reason for flooding is the clogging of both stormwater drains (SWDs) and feeder drains. The civic body, which remains in slumber through most of the year, gets into work mode only after it starts raining and much damage is done. While small encroachments over SWDs are cleared, big builders, who are the real culprits, go scot-free. Besides, Bengaluru has grown beyond its carrying capacity and is literally bursting at the seams, with all promises of setting up satellite towns to reduce the burden on it remaining on paper.

The Government should immediately undertake rescue, relief and rehabilitation operations, not only in the IT corridor but also in various slums and low-lying areas that are equally affected. Draining the city and getting it back on feet and wheels should be the first priority. More rains are predicted in the next few days. The minimum that the authorities should do is to ensure that the coming rains do not bring more misery. Chief Minister Basavaraj Bommai has said that instructions have been given to ensure that the construction quality of Rajakaluve is good. The rains may not wait for that. — *In Deccan Herald*

298 people cannonball into pool

Ghent: A Belgian resort broke a Guinness World Record when 298 people did cannon-ball dives into its Olympic-sized swimming pool at the same time.

LAGO Gent Rozebroeken, a leisure chain with facilities around the country, celebrated the 10th anniversary of its flagship location in Ghent by having more than 300 people do cannonballs into the Olympic-sized indoor swimming pool.

The attempt was witnessed by two Guinness adjudicators to ensure proper form was followed. Guinness World Records said a total 345 people took the simultaneous plunge into the pool, but only 298 of those followed proper cannonball form and were counted for the record.

Baby wipes turns out to be cocaine

Laredo: U.S. Customs and Border Protection (CBP) officers discovered more than 1,500 pounds of cocaine hidden in a place where you would least expect it: a shipment of baby wipes.

The narcotics seizure occurred last Friday at the Laredo-Colombia Solidarity International Bridge, located on the U.S.-Mexico border, according to the agency in a news release.

Officials say a CBP officer at the Laredo-Colombia Solidarity Bridge stopped a tractor-trailer bringing in a shipment of baby wipes for a secondary inspection.

Following the inspection, drug-sniffing dogs made the discovery of what CBP described as 1,935 packages of cocaine totalling 1,532 pounds. The agency says the estimated street value of the seized cocaine totalled more than 11.8 million dollars.

BJP's Janotsava rally postponed to Sept.10

Bengaluru, Sept.8 (KMS&DM)- After several postponements, the BJP's *Janotsava* rally (now renamed as *Janaspandana* rally), marking the first anniversary of Basavaraj Bommai Government in the State, is finally scheduled to take place at Doddaballapur in Bengaluru Rural district on Sept.10.

The rally was first scheduled to take place on July 28 marking the completion of one year of Bommai Government. But it had to be postponed after tension gripped the State following the murder of BJP Yuva Morcha leader Praveen Nettaru in Sullia taluk of Dakshina Kannada district on July 26.

The party, then rescheduled the rally to Sept. 8. But it had to be postponed again following the sudden demise of Forest Minister Umesh Katti on Sept. 6 night.

The BJP on Wednesday afternoon decided to hold the rally on Sept.11, but hours later, it yet again re-scheduled the rally late night yesterday, by advancing it by a day.

Now the rally is finally scheduled to take place on Sept.10 at Doddaballapur, with no change in venue. However, the rally has been renamed as *Janaspandana*, according to sources.

Chain snatchers haunt city as Dasara nears

7 pm: R.S. Naidunagar | 8.30 pm: Vijayanagar Second Stage | 9 pm: V.V. Mohalla 8th Cross | 9.30 pm: Saraswathipuram

Three gold chains snatched; one futile attempt

Mysuru, Sept. 8 (RK&BCT)- Dasara is when lakhs of tourists descend on Mysuru and every nook and corner bustle with tourists. With barely 18 days for the grand festivities to begin on Sept. 26, four chain-snatching incidents reported in city last night have cast a shadow on the celebrations.

There are apprehensions that if chain snatchings take place, particularly during Dasara festivities, the city's image may take a beating. Notably, all four incidents last night were reported in crowded places in different localities and the targets were elderly women who were busy in their routines.

R.S. Naidunagar

The first incident was reported at 7 pm at R.S. Naidunagar Main Road in Narasimharaja (NR) Police limits. The woman, identified as 72-year-old Girijamma was eating Gobi Manchurian under a tree where street food was being dished out. As it was evening time, there were many customers for street food.

As Girijamma was busy eating, she did not notice a Dio scooter that stealthily approached her. The criminal came near her and the person on the pillion grabbed her 30-gram gold chain. The scooter rider then sped away and vanished into the dark even before Girijamma raised an alarm.

Vijayanagar Second Stage

The second incident was reported from Vijayanagar Second Stage near the water tank at 8.30 pm behind a shopping mall. 64-year-old Vanamala was walking toward her home when two persons on a bike approached her.

Both were wearing dark jerkins and wore monkey caps and were not wearing helmets.

As they neared Vanamala, the pillion rider grabbed her gold chain. Vanamala, who was alert as the bike approached her, caught hold of her chain firmly and did not yield to the criminals.

After tugging a couple of times, the bikers fled, panicking as Vanamala shouted for help. Even this place was crowded and many rushed to the victim's help but the criminals had escaped.

V.V. Mohalla 8th Cross

The third incident was reported at 9 pm from V.V. Mohalla 8th Cross near the Ganesha festival pandal. 55-year-old Sujatha, wife of Amarnath and a resident of Gokulam, was walking home from a shop after buying some items. As she walked, a bike with two men approached her and snatched her 20-gram gold chain.

Here too, Sujatha told the V.V. Puram Police that the two men were wearing dark jerkins and sported monkey caps.

Saraswathipuram

The fourth incident was reported at 9.30 pm from Saraswathipuram where the target was S. Malathi, a middle-aged woman. She was walking toward her home and was near the big culvert at Saraswathipuram when two men suddenly came from nowhere to snatch her 30-gram gold chain.

All the women have lodged complaints with the jurisdictional Police and teams have been formed to nab the criminals. The estimated value of the gold chains is Rs. 3,76,000. According to Police sources, while a Pulsar bike was used for three crimes, a Dio scooter was used for the fourth crime. Cases have been registered at NR, Saraswathipuram, V.V. Puram and Vijayanagar Police Stations.

"Either the gang has changed the vehicles to mislead the Police or they are one group of criminals. We are scanning CCTV footage of the localities and we are noting down the time of the vehicles (target bike and scooter) passing in each area before or after the crime," a Police officer said.

'Educate people on misuse of rapid advancements in Science and Technology'

Former ISRO Chairman Kiran Kumar inaugurates three-day 14th Akhila Karnataka Vijnana Sammelana

Mysuru, Sept. 8 (RKB&DM)- Stating that advancements in Science and Technology are going on at a rapid pace, former ISRO Chairman Padma Shri A.S. Kiran Kumar said that at the same time, it is equally important that people are continuously updated on misuse of the advancements.

He was speaking after inaugurating the three-day 14th Akhila Karnataka Vijnana Sammelana organised by Karnataka Rajya Vijnana Parishat by beating a drum at KSOU Convocation Hall in Muktagangothri campus along Hunsur Road here this morning.

Stressing on the need for everyone to come forward by using their own efficacy and efficiency, Kiran Kumar said that just as mobile phones link two people with Electromagnetic radiation, human beings too should get connected with their minds for the growth of the country and betterment of the society. Though it is easy to say this, it is a bit difficult in practice, he observed.

Pointing out that everyone should realise the importance of every living being on earth, the former ISRO Chairman opined that human beings can be better off if Science and Technology are used in the best ways.

" As Science and Technology are making unprecedented rapid advancements, new problems are getting created. As such, we need to find answers to these problems at the earliest. Several International Companies are making attempts to turn human beings as mere consumers with the sole aim of reaping profits and we should be wary of these plans", he said while cautioning the citizens of the ways and means that MNCs adopt to promote their own brand of consumerism and materialism.

Referring to global warming and climate change, Kiran Kumar regretted that despite the launch of most advanced satellites, the world had failed to correctly predict the fallout of climate change, which is causing havoc across the globe. He emphasised on the need for carrying out relentless research to unearth the reasons and effects of climate change.

The three-day event is supported by the Department of Science and Technology, Government of Karnataka, Karnataka Science and Technology Promotion Society (KSTePS), District Administration, ZP, University of Mysore (UoM) and KSOU.

UoM Vice-Chancellor Prof. G. Hemantha Kumar, former Kuvempu University Vice-Chancellor Prof. P. Venkataramaiah, Karnataka Rajya Vijnana Parishat President Girish B. Kadlewada, Hon. Secretary C. Krishnegowda, State Convenor A.N. Mahesh, office-bearers Dr. R. Shekar Nayak, Srimathi Hariprasad, T.G. Krishnamurthy Raj Urs, Meenakshi Kudusomannavar and others were present.

Over 500 science teachers and educators from across the State are taking part in this event, which concludes on Sept.10.

Dasara-2022: Police to heighten security to ensure law and order during festivities

Mysuru, Sept. 8 (RK&KS)- With Dasara fast approaching, the Police Department is preparing to provide elaborate security to ensure that the festival passes off smoothly and without any untoward incidents taking place.

Additional Director General of Police (ADGP) - Law and Order - Alok Kumar, on instructions from Director General and Inspector General of Police (DG&IGP) Praveen Sood, has already held a meeting with top Police officials in Mysuru and has instructed the Police officials to be prepared for Dasara bandobust.

Following the instructions, City Police Commissioner Dr. Chandragupta is in constant touch with the heads of all Police Stations, City Armed Reserve (CAR), Karnataka State Reserve Police (KSRP), Mounted Police, State Intelligence Branch and other Police wings.

The City Top Cop, who is planning to provide foolproof security during the festivities by drawing forces from the District Police unit, officials and staff of all Police Stations coming under the Southern Range, has also given instructions to the Palace security officials too.

As Dasara was celebrated in a simple and traditional manner for the past two years owing to COVID pandemic, inflow of tourists to Mysuru was less and the *Jumboo Savari* was held inside the Palace premises with limited guests.

This year, the State Government has decided to celebrate Dasara in a grand manner and tourists from across the country and abroad are expected to arrive in Mysuru. Hence, the Police are preparing to prevent crowding of people, which may cause untoward incidents.

Steps are being taken to see that CCTV cameras and lights installed inside and outside the Mysore Palace, on *Jumboo Savari* routes, Torchlight Parade Grounds, Chamundi Hill, prominent city roads, circles and junctions are functioning correctly.

Preparations are also being made to install Door Frame Metal Detectors and CCTV cameras at various places including the Dasara inauguration place atop Chamundi Hill, Dasara Exhibition Grounds, Wrestling Arena and venues of Food Mela, Yuva Sambhrama, Yuva Dasara, Dasara Sports and Dasara Cultural Programmes.

Dog Squad will also be pressed into service and the Police have been instructed to keep a hawk-eye vigil on the entry and exit points of the city. The City Top Cop has also instructed to install CCTV cameras in hotels, lodges, service apartments, Paying Guest (PG) accommodations, tourist spots and in crowded places such as Bus Stands, Railway Station, theatres, commercial establishments and markets and to ensure that the CCTVs are working.

Check-posts will be established on all Highways connecting Mysuru and 24 hours vigil will be kept on all vehicles entering and exiting Mysuru. Rowdies and anti-social elements will be paraded and instructions will be given to them to stay away from anti-social activities.

The Police are also collecting information about the arrival of Dasara guests, VIPs, VVIPs, noted artists and others for Dasara and foreign students staying in city are being monitored.

The Police are also preparing to provide security to the Governor, Chief Minister, Union Ministers, High Court and Supreme Court Judges on their arrival to city and also for their smooth movement on city roads.

Police personnel drawn from other districts will be given instructions about their duties and responsibilities. Senior Police officials will be holding a meeting in city soon and will inspect the security arrangements.

Why not MUDA publish list of unauthorised Layouts?

Sir,

This is with reference to the news item titled ***"MUDA reclaims four unauthorised layouts"*** *(Star of Mysore* dated Aug. 28) which mentions that there are more than 40 such layouts in the jurisdiction of the Authority.

If such being the case, why don't the officials concerned release a list of such layouts to warn and save the common people from the trap of the fake sellers the same way UGC used to publish the list of bogus Universities from time to time?

PFA camp treats 54 horses in Mysuru, Srirangapatna

Mysuru, Sept. 8 (OSR)- Continuing its free health check-up camp for horses (both tonga and stray), People For Animals (PFA), Mysuru, organised one more such camp in Srirangapatna yesterday.

The PFA had conducted the camp in front of Kote Anjaneyaswamy Temple, Palace North Gate in Mysuru on Sept. 6. The camps were held in association with World Wide Veterinary Services (WWVS) and Jeev Daya Jain Charity (JDJC).

Free nutritional supplements were fed to horse owners whose tonga horses were suffering from nutritional deficiency. PFA's senior veterinarian Dr. Amardeep Singh and Dr. Harsha Pandurangi of WWVS treated the horses for various ailments and conducted complete body check-ups.

While 23 horses were treated on Sept. 6, on Sept. 7, 31 horses were treated and free supplements were distributed at Srirangapatna. The PFA in association with WWVS and JDJC has been conducting horse camps twice a year for 12 years in Mysuru and Srirangapatna.

Kokila Jain, Founder Trustee of JDJC, members of JDJC, PFA Trustee Savitha Nagabhushan, and volunteers Bhagyalakshmi and Yeswanth were present.

Obituary

T.H. Narayana Rao Telkar

Mysuru, Sept. 8 - T.H. Narayana Rao Telkar (79), a resident of Soppinakeri in Lashkar Mohalla, passed away in the wee hours of today in city. He leaves behind his wife Drakshayini, sons Manjunath Telkar and Raghavendra Telkar and a host of relatives and friends.

He had held several posts in Bhavasar Kshatriya Mandali of Bhavasar Kshatriya Samaj and other affiliated organisations.

Second batch of five Dasara elephants arrives at Mysore Palace

Mysuru, Sept. 8 (MTY&KS)- The second batch of five Dasara elephants, which includes three debutants, arrived at Mysore Palace from their respective elephant camps yesterday afternoon. In all, 14 elephants will be taking part in this year's Dasara.

The five elephants which arrived are: 41-year-old Gopi, 40-year-old Srirama and 63-year-old Vijaya from Dubare Elephant Camp, 18-year-old Parthasarathy from Rampura and 40-year-old Sugreeva from Dubare. Sugreeva is replacing 36-year-old Kunthi of Rampura.

Sugreeva replaces pregnant Kunthi

Earlier, Kunthi was chosen in place of Vikrama, who is in musth. As Kunthi is pregnant, she has been replaced by Sugreeva. While 63-year-old Arjuna and Vijaya are eldest among 14 Dasara elephants, 18-year-old Parthasarathy is the youngest.

Though the elephants were to arrive at Mysore Palace by 12.30 pm yesterday, their arrival was delayed due to heavy rains. While Parthasarathy arrived at 12.30 pm, Srirama, Sugreeva, Gopi and Vijaya arrived at 4 pm. All the five elephants were transported from their respective Elephant camps in trucks safely.

After their arrival, they were fed and were led to their respective places (elephant sheds) and tied. Their Mahouts and Kavadis were provided with kits containing daily essentials.

Exclusive Interview with New Mayor and Deputy Mayor...

Riding a horse for Dasara will be momentous: Mayor

'I am fortunate to get a chance to shower flower petals on Goddess Chamundeshwari'

Star of Mysore (SOM): You have become the Mayor of Mysuru when Dasara is just around the corner.

Shivakumar: I am fortunate for getting a chance to shower flower petals on Goddess Chamundeshwari during Mysuru Dasara, the time when the Goddess is most powerful and worshipped as a Goddess of Shakthi. Not many people get a chance like this and I am lucky.

SOM: As the Mayor, you will get a chance to ride a horse during Vijayadashami. What's the feeling?

Shivakumar: I am really excited and the horse riding will be momentous and will be a cherished memory. I will begin the training tomorrow and I have been already informed that the training will be provided by the Mounted Police staff. I am looking forward to the training session by experienced horsemen.

SOM: Did you ever think that you would be Mysuru's first citizen?

Shivakumar: I was neither a candidate nor did I nurse any such ambitions. This is unexpected development and JD(S) has expressed confidence in my rule and has voted in my favour. There is a special place for Mysuru's Mayor and this is a distinguished post. This position has an illustrious history and I will ensure that the position is not sullied in any way when I am occupying the chair.

SOM: What will be your priorities for Mysuru — development and cleanliness?

Shivakumar: Prime Minister Narendra Modi has given us the concept of Swachh Bharat and the system is being adopted across India as a mass movement. I will strive to work toward achieving the goals of the Swachh Bharat Mission. Already, Mysuru has won the Cleanest City distinction twice. I will strive to regain the Numero Uno spot in coordination with officers, Pourakarmikas and the people in general. The roads that have turned worse due to rain and vehicle pressure will be repaired immediately.

SOM: You have worked as a Corporator, Opposition Leader and the leader of the ruling party. Will these experiences help you effectively discharge your Mayoral duties?

Shivakumar: Yes, definitely. All the experiences will help me as the Mayor. I have also been the head of the Finance and Taxation Standing Committee and also the Town Planning Standing Committee. I am aware of how administrative and routine decisions are taken in the MCC. With these experiences, I want to plan the overall development of Mysuru and take citizen-centric decisions.

SOM: What will be your plan to develop revenue layouts of Mysuru?

Shivakumar: The MCC Council has already taken a decision to issue B-Khata for all the revenue land properties so that they too come under the tax bracket and the properties can get civic facilities. After the Council's approval, the proposal has been sent to the State Government for approval. Once we get the go-ahead, the revenue layouts will be developed into proper layouts with all the civic amenities.

SOM: What is the mood of your Ward 47 residents as you are a Mayor now?

Shivakumar: The people of my Ward are jubilant and expect good work from me and I will not let them down. I am born and brought up in Sunnadakeri and was elected as the Corporator from there. I have my own set of people there. Also, my father was a Group-4 employee in the MCC. He respected Corporators very much and had a deep desire for his son to become a Corporator. Today, his dreams have been fulfilled.

Shivakumar (BJP), Mayor

SOM: You are the first from Nayaka Community to be Mysuru Mayor. What do you have to say?

Shivakumar: In fact, for the first time, the Mayor's Post was reserved for a general category candidate. But it was the BJP that chose an ST candidate and as a result, the Nayaka community got representation. I don't think anyone in any other party could have accomplished this chance. I am indebted to my party. Henceforth, I will work with all parties and strive for the overall development of Mysuru. **— MK & RK**

Mysuru's good health will be my focus: Deputy Mayor

Dr. G. Roopa (BJP), Deputy Mayor

'I will ensure the effective implementation of many women-centric schemes'

SOM: What is your priority for Mysuru and how will you fulfil the aspirations of people?

Dr. G. Roopa: My qualification is M. Pharma, Ph.D in Pharmaceutical Sciences and apart from the regular duties like roads and other infrastructure, I would like to focus on the health sector. We have just come out from the COVID pandemic and we need to focus on health so that no one in Mysuru suffers. I have been very active in my Ward creating health groups on social media and reaching out to the needy. As the Deputy Mayor, I will plan wider strategies.

SOM: You are a first-time Corporator from Ward 53. What is it like to be the Deputy Mayor?

Dr. G. Roopa: The feeling is great and I deeply thank my party for reposing faith in me. BJP has done great service to my community and is striving hard to bring them to the mainstream through various schemes.

SOM: Do you feel that your responsibility has increased now?

Dr. G. Roopa: Yes. My responsibility has increased as also accountability. I will strive to the best of my abilities to work for public welfare. From Pharmaceutical Sciences Ph.D to Deputy Mayor, there are a lot of challenges too. We have not got the Smart City distinction and we need to renew our attempts to get the same for Mysuru.

SOM: One common complaint of most Mysureans is bad roads.

Dr. G. Roopa: Yes. We have realised the gravity of the situation and I will discuss it with the Mayor to come up with an immediate solution to the problem. We will hold meetings with officials and also discuss the same with the Government for funds. Also, the priority will be on cleanliness in the Cultural City and also Yoga City.

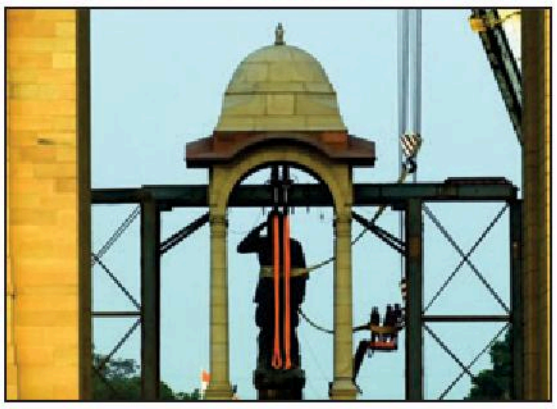
SOM: This time both the Mayor and Deputy Mayor are from the BJP.

Dr. G. Roopa: Yes. The people of Mysuru can expect good governance from both of us and we will work in the interests of Mysuru city and its people. Also, we will try and get more grants to Mysuru as we have BJP Governments at the State and Centre.

As a woman candidate from the BCA community, I will try and bring to the ground many schemes with regard to women. All the facilities from the Centre and State for women will be publicised and achieved for their overall development. **— BCT**

PM to unveil 28-ft. tall Netaji statue this evening

Statue hand-sculpted by a team led by sculptor Arun Yogiraj from Mysuru



File photo of Mysuru-based sculptor Arun Yoigraj presenting a miniature statue of Netaji to Prime Minister Narendra Modi. Picture right shows the 28-feet tall statue being installed in the Grand Canopy ahead of the inauguration of the Central Vista Lawns at India Gate this evening.

New Delhi, Sept. 8 (UNI) - Prime Minister Narendra Modi will unveil a grand 28-feet tall statue of Netaji Subhas Chandra Bose near India Gate this evening as Azad Hind Fauj's iconic song "Kadam Kadam Badhaye Jaa" will play to mark the occasion.

The jet-black granite statue will be positioned under the Canopy near India Gate. It has been carved from a monolithic block of granite weighing 280 MT. After 26,000 man-hours of intense artistic endeavour, the granite monolith was chiselled to produce a statue weighing 65 MT, the Ministry of Culture said in a statement.

The statue is completely hand-sculpted using traditional techniques and modern tools by a team led by sculptor Arun Yogiraj from Mysuru.

Made in Mysuru

It may be recalled here that *Star of Mysore* had first published a report on Apr. 6, 2022, under the title **'Will it be 'Made in Mysuru' statue of Netaji at India Gate?'** saying that Arun Yogiraj will be given the responsibility of carving the statue. Yogiraj, known for his portrait work, has specifically carved the facial features of the statue. Yogiraj had also carved the 12-feet statue of Adi Shankaracharya at Kedarnath, which was unveiled by Prime Minister Modi last year.

The statue of Bose will be installed at the same place where a hologram statue of Netaji was unveiled earlier this year on *Parakram Diwas* on Jan. 23 by the Prime Minister to mark the 125th birth anniversary of Netaji.

Modi had on Jan. 21 assured that a grand statue of Netaji made of granite will be installed at India Gate as a symbol of the nation's indebtedness to him. A 100-feet-long truck with 140 wheels was specially designed for this monolithic granite stone to travel the 1,665-km from Khammam in Telangana to New Delhi.

A grand event

The PM's arrival at the canopy for the unveiling of the statue of Netaji will be heralded with traditional Manipuri Shankh Vadayam and Kerala's traditional *Panch Vadayam* and *Chande*, Ministry of Culture said.

The PM will also inaugurate the *Kartavya Path* today. It symbolises a shift from erstwhile Rajpath being an icon of power to *Kartavya Path* being an example of public ownership and empowerment.

A cultural festival with 500 dancers drawn from all parts of the country would also be showcased. The glimpse of the same would be shown to the Prime Minster on the step Amphitheatre near India Gate by around 30 artistes who will perform tribal folk-art forms such as Sambalpuri, Panthi, Kalbelia, Kargam and dummy horse with live music by Nashik Dhol Pathik Tasha and Drums.

The "Mangalgaan" penned by *Padma Bhushan* Pt. Shrikrishna Ratanjankarji on the auspicious occasion of the 1st Independence Day of India in 1947 will be presented by Pt. Suhas Vashi along with a team of singers and musicians. Ashish Keskar is the music director for the presentation. The festival at *Kartavya Path* would commence at 8.45 pm after the main function and will also continue on Sept. 9 and 11 from 7 pm to 9 pm. A special 10-minute Drone Show on Netaji's life would be projected at India Gate at 8 pm on all 3 days.

Rider killed as truck rams into bike

Eyes, kidneys donated

Ritish Kumar

Srirangapatna, Sept. 8- A two-wheeler rider was killed when a truck rammed into the bike he was riding near Mogarahalli Manti village in the taluk on Wednesday.

The deceased has been identified as Ritish Kumar (30), son of Cheluvaraju and a resident of Baburayanakoppal in the taluk and an employee of a private firm in Mysuru.

Ritish was proceeding to work on his bike and when he was proceeding from KRS side and neared Mogarahalli Manti village, a truck, which came from the opposite direction, rammed into the bike, killing Ritish. The truck driver fled from the spot soon after the accident.

KRS Police, who rushed to the spot, registered a case, shifted the body to MMC&RI mortuary in Mysuru, where post-mortem was conducted and the body was handed over to the family members.

As per the wish of deceased Ritish, his parents donated his eyes, kidneys and other organs.

Last rites were held at Baburayanakoppal.

Rahul Gandhi launches *Bharat Jodo Yatra*

Over 3,570-km foot march will pass through Mysuru by September end

(Continued from page 3)

The Congress has put its heart, mind and soul in the 3,570-km Kanyakumari to Kashmir *padayatra* which comes about a month ahead of the crucial election for the post of party President on Oct. 17. These two are the most significant events in the Congress calendar ahead of the next Parliamentary Election.

After a halt at Suchindrum, Rahul Gandhi will interact with women activists, Dalit activists and representatives of civil society. On way to Suchindrum, he also met T. Shanmugham, father of late NEET aspirant S. Anitha and her brother Maniratnam.

Anitha was a 17-year-old Scheduled Caste student who had scored 1,176 out of 1,200 marks in her Class 12 Board examinations but was unable to join the MBBS course due to poor scores in NEET, finally committing suicide last year.

Congress has said that they plan to cover 20-22 kms per day. The march will cross 12 States and two Union Territories. It will pass through Kanyakumari, Thiruvananthapuram, Kochi, Nilambur, Mysuru, Bellary, Raichur, Vikarabad, Nanded, Jalgaon Jamod, Indore, Kota, Dausa, Alwar, Bulandshahar, Delhi, Ambala, Pathankot, Jammu, Srinagar among the major cities.

While the *Yatra* may be a 'do or die' effort for Congress, it is a topic of ridicule for BJP. BJP President JP Nadda said, "They are talking of *Bharat Jodo, Bharat Jodo. 'Arrey pehle party toh jod lo'* (unite the party first). He was obviously referring to several resignations of senior leaders from the party in recent years.

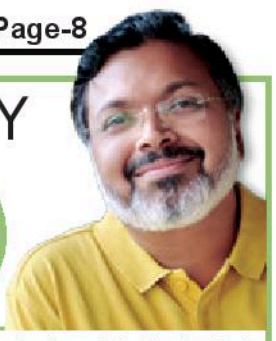
DECODING MYTHOLOGY



Dr. Devdutt Pattanaik - Author, Speaker, Illustrator, Mythologist

Wisdom of Seeds... before Sanskrit

In Indian mythology, two metaphors are used to explain the origin of things and the cause of things. These are womb *(yoni,* in Sanskrit) and seed *(bija)*. Related to *bija* is the concept of fruit or *phala*. From the *yoni* comes the *phala* that contains the *bija*, which when placed in the *yoni* once again creates new *phala*.

These are metaphors: known ideas used to explain unknown concepts. The *yoni* metaphor comes from herding communities, which secured food from the animal kingdom. The *bija* and *phala* metaphors come from foraging communities, which secured food from the plant kingdom. Though widely used in "Sanskirt" literature, these ideas are pre-Sanskrit, even pre-language.

Long before we used sound to communicate, we used gestures *(mudra)* and symbols *(pataka, pratika)* to communicate ideas. These pre-verbal forms of communication are still found in dance. We must remember the story of how Shiva educates Vedic priests about the secret of *atma* using dance, captured in the famous Nataraja statue.

The Hindu concept of *karma* is explained using the concept of *bija* and *phala*. From *bija* comes *phala*, from *phala* comes *bija*. What came first, the fruit or the seed? Those born of *yoni,* we are told, are creatures that experience death. Thus *yoni* or womb ushers us into the realm of mortality.

When we die, in many tribal cultures, the dead were buried inside pots. The pot represented the womb, the origin. In Sanskrit, the pot is called *garbha*, the womb. In Hindu temples, the innermost sacred shrine where the deity is enshrined is called *garbha-griha*, the womb house. Here the image is "conceived" through rituals known as *prana-pratishtha*, the placement of the breath.

The womb is called a field or *kshetra* in which the seed is placed. Earth is the primal womb or *yoni*. Thus the animal metaphor is merged with the plant metaphor. *Bija* now refers not just to seed but also semen. *Phala* refers to the body, *deha,* in which resides the seed. The seed is the source of life and breath that manifests only when the seed germinates in the soil-*yoni*. This idea is presented through rituals involving germinating seeds and pots, common in Hindu wedding, childbirth and funeral rites.

None of these ideas depend on Sanskrit for their origin. They are ideas found in tribal communities, hunter-gatherer communities, around the world, who do not speak Sanskrit. So these pre-Sanskrit ideas are communicated much later via Sanskrit. Sanskrit is just a vessel. Just like Sanskrit-speaking Brahmins were transmitters of these ideas, not the source. We can say the language Sanskrit and the Sanskrit-speaking Brahmins are the *yoni* through which the fruit of prehistoric ideas and the seed of pre-historic meanings reach us.

In academic circles, some argue the tribes formulated these ideas before organised religion and language. But which tribe? Santhal, Bhil, Gond, Munda, Khasi, Garo? Even tribal communities use language, words, grammar, metaphor. We must imagine the world before spoken language — the world of gestures and symbols, art and rituals, painted on cave walls, buried in pits, scratched on pots. This is where some of the great wisdom of India came from. Language simply helped organise it and transmit it better to a larger audience. Organised knowledge is called *shastra*.

Vid. Rakshit Prasad will be giving a mandolin concert on Sunday (Sept. 11).

He will be accompanied by Vid. Rupanagudi Ratnateja on violin and Vid. Adamya Ramanand on mridanga.

Both the concerts are scheduled to start at 10.30 am and are open to all music enthusiasts.

61st Heritage Music Festival at 8th Cross V.V. Mohalla

Mellifluous voice, great breath control and perfect shruti alignment

By Dr. Padmavathi Narasimhan

On the 7th day of the Ganeshotsava at 8th Cross, V.V. Mohalla, by SPVGMC Trust, young Bhargavi Venkataram gave a vocal recital with her father H.K. Venkataram on violin, K.V. Prasad on mridanga and M.R. Manjunath on ghata. Mellifluous voice, perfect shruti alignment and good breath control marked the concert.

Vidu. Bhargavi Venkataram presenting a vocal concert at 8th Cross, V.V. Mohalla, last evening as part of the 61st Heritage Music Festival organised by SPVGMC Trust. She is accompanied by Vid. K.V. Prasad on mridanga, Vid. H.K. Venkataram on violin and Vid. M.R. Manjunath on ghata.

With basics installed at an early age by her mother (one of Saralaya Sisters) and honed by her father, Bhargavi is now blossoming under the guidance of Guru T.M. Krishna. Her selection of songs for the day was good.

The very first number 'Mate Malayadhwaja', Daru varna in kamas by Muthiah Bhagavatar gave a bright start to the concert. Though confused in the beginning about tala (switching over from Adi to Ekatala and realising it at 'Vasishta vamadevadi vandita) in 'Mahaganapatim' by Deekshitar, Bhargavi surprised the audience when she took up a neraval at 'Mahakavya natakadipriyam' and did swaraprastara in two speeds.

Shyama Shastri's 'Kamakshi' swarajati in Bhairavi was a feast to the ears with perfect shruti alignment and the right unhurried speed that the composition demands. Clarity in sahitya made it all the more pleasing. Bhargavi's raga exploration of Latangi especially in the higher octave with immaculate precision in shruti created a good impact. Nalinakanti was enjoyable but even as the listeners were beginning to enjoy the raga, the vocalist suddenly switched over to Tana, reminding them of her mentor. If some of the audience did not know who she is learning from, well, this was a testimony! 'Manaviyalakim' by Tyagaraja was exactly as her teacher would present the composition. 'Rangapuravihara' (Deekshitar) in Brindavana Saranga and 'Shobhillu Saptaswara' in Jaganmohini by Tyagaraja were good selections and were rendered with lyrical clarity.

Before taking up the main item of the evening Kanada, Bhargavi remembered late TVS and said it is emotional to sing 'Sukhiyevvaro' as it brought strong memories of the music legend. In the raga essay, Bhargavi's mellifluous voice traversed easily in the middle and upper octaves in Kanada. She needs to work on the lower octave, however. Venkataram's version of Kanada was more satisfying. 'Sukhievvero' was very pleasant with also a swara essay but the composition could have been elaborated more as the artiste had not planned any RTP.

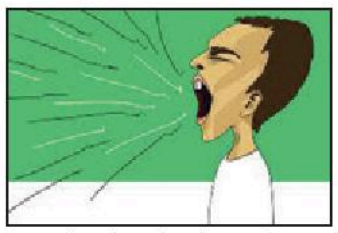
Grand taniyavartana by senior mridangist K.V. Prasad and M.R. Manjunath drew huge appreciation from both, the artistes on stage and the listeners.

The exquisite rendition of the navarasa shloka describing Lord Rama in navarasa by Swami Bodhendra in Behag, Athana, Shahana, Bilahari Hamsadhwani, Revati, Shubhapamtuvarali, Reetigowla and finally Mayamalavagowla leading onto 'Rama Rama Rama enniro' in Tillang and the shloka from Kulashekhara Alwar's mukundamaala 'Bhaktaapaaya bhujanga gaarudamanih' followed by 'He Govinda He gopala' bhajan of MS fame and Muthiah Bhagavatar's tillana in Hameer Kalyani were a testimony to the creative versatility of the artiste.

With experience and higher training and practice in manodharma, this young vocalist will surely shine in the field of music. Senior mridangist Prasad and Manjunath on ghata suited the needs of the occasion.

WORD OF THE DAY

Vociferous



Pronunciation: voh-SIF-uh-rus.
Meaning: Vociferous describes people who express their feelings or opinions loudly and forcefully, as well as things, such as objections, that are expressed in such a way.
Origin: Hear ye! Hear ye! To vociferate is "to cry out loudly" so it's perhaps unsurprising that the adjective vociferous is used to describe those who are loud and proud, who show their support or displeasure for something or someone by hootin' and hollerin'. Both vociferate and vociferous come from the Latin vociferari, a combining of vox, meaning "voice," with ferre, meaning "to carry." In addition to describing loud and insistent individuals and groups—critics, crowds, fans, et al.—vociferous can be used for anything characterized by loud insistence, as in "vociferous complaints," "a vociferous defense," and "vociferous support."
Example: "What started in Tasmania and Australia as a little casual competition between forestry workers ... is now a fully souped-up stadium showdown with bright lights, Jumbotrons and vociferous sportscasters giving the play-by-play and starting the stopwatch countdown with a booming call: 'Stand to your timber!'" — Stephanie Smittle

THE ODD WORD

Vagarian

Whimsical person.

PHRASE OF THE DAY

Variety is the spice of life

Meaning: When you use the phrase 'Variety is the spice of life' you mean that doing a lot of different things and interacting with all sorts of people, etc. is a way to make life more interesting.
Origin: The phrase 'Variety is the spice of life' was first seen in 1785, in William Cowper's poem The Task: "Variety is the very spice of life, that gives it all its flavor."
Example: "I know we usually spend summers at the beach, but I'm thinking we should try camping. After all, variety is the spice of life."

QUOTE BOX

Two cheers for Democracy; one because it admits variety, and two because it permits criticism. **—E. M. Forster**

City MMA athlete wins bronze for India

Mysuru, Sept. 8- Three **Mixed Martial Arts (MMA)** athletes aged 13 years — H.R. Theeksha Bharuni, G.M. Durgashree and Aryan Raj — of the Academy of Martial Science (AMS), Mysuru, represented India at the MMA Youth World Championship at Abu Dhabi between Aug. 16 and 20.

G.M. Durgashree, daughter of Murthy and Shoba from Mysuru, secured a first ever medal for the country and State in the history of youth MMA. She fought three hard pitched bouts against Tetiana Khaneko, Valentyna Khanenko of Ukraine and fellow Indian Avani to secure her spot on the podium.

H.R. Theeksha Bharuni, daughter of Dr. Ravi and Nandini, missed medal by a whisker fighting against Bridget Costner of USA and gave a tough fight to Lucia Ford of Wales and secured a walk over against Myra of Angola. **Aryan Raj,** son of Nagesh and Sindhu, put up a brave fight against Ivanko Kroslak of Bulgaria, Kona Lane of USA and lost his medal-deciding bout to reigning world champion Illia Konko of Ukraine.

Seen in the picture are (from left) ***Coach Kiran, former Mysuru Mayor Purushotham, Aryan Raj, G.M. Durgashree, H.R. Theeksha Bharuni, Team India Head Coach and AMS Founder-Director Kru. Vikram, Coach Samarth and Coach Kavya.***

They are all trained at the AMS by Kru. Vikram and coaches Kiran, Kavya and Samarth.

Team India returned with 4 bronze and 1 silver medal.

About 500 participants from over 42 countries took part in this mega event hosted by International Mixed Martial Arts Federation (IMMAF).

Shariff Bapu, President of MMA India, led the 25-member Indian contingent, while Kru. Vikram took the mantle of the Head Coach for Team India.

MMA India General Secretary Prasad Gaitonde, Vice-President Kevin Alfred David, AMMAK Senior Vice-President Kru. Kumar and former Mysuru Mayor Purushotham, who is also the senior advisor for AMS, congratulated the team.
